1 4. **Residency, Practice, or Licensure Outside of State.** Periods of residency or
2 practice as a registered nurse outside of California shall not apply toward a reduction of this
3 probation time period. Respondent's probation is tolled, if and when she resides outside of
4 California. Respondent must provide written notice to the Board within 15 days of any change of
5 residency or practice outside the state, and within 30 days prior to re-establishing residency or
6 returning to practice in this state.

7 Respondent shall provide a list of all states and territories where she has ever been licensed
8 as a registered nurse, vocational nurse, or practical nurse. Respondent shall further provide
9 information regarding the status of each license and any changes in such license status during the
10 term of probation. Respondent shall inform the Board if she applies for or obtains a new nursing
11 license during the term of probation.

12 5. **Submit Written Reports.** Respondent, during the period of probation, shall submit
13 or cause to be submitted such written reports/declarations and verification of actions under
14 penalty of perjury, as required by the Board. These reports/declarations shall contain statements
15 relative to Respondent's compliance with all the conditions of the Board's Probation Program.
16 Respondent shall immediately execute all release of information forms as may be required by the
17 Board or its representatives.

18 Respondent shall provide a copy of this Decision to the nursing regulatory agency in every
19 state and territory in which she has a registered nurse license.

20 6. **Function as a Registered Nurse.** Respondent, during the period of probation, shall
21 engage in the practice of registered nursing in California for a minimum of 24 hours per week for
22 6 consecutive months or as determined by the Board.

23 For purposes of compliance with the section, "engage in the practice of registered nursing"
24 may include, when approved by the Board, volunteer work as a registered nurse, or work in any
25 non-direct patient care position that requires licensure as a registered nurse.

26 The Board may require that advanced practice nurses engage in advanced practice nursing
27 for a minimum of 24 hours per week for 6 consecutive months or as determined by the Board.

28 If Respondent has not complied with this condition during the probationary term, and

1 Respondent has presented sufficient documentation of her good faith efforts to comply with this
2 condition, and if no other conditions have been violated, the Board, in its discretion, may grant an
3 extension of Respondent's probation period up to one year without further hearing in order to
4 comply with this condition. During the one year extension, all original conditions of probation
5 shall apply.

6 **7. Employment Approval and Reporting Requirements.** Respondent shall obtain
7 prior approval from the Board before commencing or continuing any employment, paid or
8 voluntary, as a registered nurse. Respondent shall cause to be submitted to the Board all
9 performance evaluations and other employment related reports as a registered nurse upon request
10 of the Board.

11 Respondent shall provide a copy of this Decision to her employer and immediate
12 supervisors prior to commencement of any nursing or other health care related employment.

13 In addition to the above, Respondent shall notify the Board in writing within seventy-two
14 (72) hours after she obtains any nursing or other health care related employment. Respondent
15 shall notify the Board in writing within seventy-two (72) hours after she is terminated or
16 separated, regardless of cause, from any nursing, or other health care related employment with a
17 full explanation of the circumstances surrounding the termination or separation.

18 **8. Supervision.** Respondent shall obtain prior approval from the Board regarding
19 Respondent's level of supervision and/or collaboration before commencing or continuing any
20 employment as a registered nurse, or education and training that includes patient care.

21 Respondent shall practice only under the direct supervision of a registered nurse in good
22 standing (no current discipline) with the Board of Registered Nursing, unless alternative methods
23 of supervision and/or collaboration (e.g., with an advanced practice nurse or physician) are
24 approved.

25 Respondent's level of supervision and/or collaboration may include, but is not limited to the
26 following:

27 (a) Maximum - The individual providing supervision and/or collaboration is present in
28 the patient care area or in any other work setting at all times.

1 (b) Moderate - The individual providing supervision and/or collaboration is in the patient
2 care unit or in any other work setting at least half the hours Respondent works.

3 (c) Minimum - The individual providing supervision and/or collaboration has person-to-
4 person communication with Respondent at least twice during each shift worked.

5 (d) Home Health Care - If Respondent is approved to work in the home health care
6 setting, the individual providing supervision and/or collaboration shall have person-to-person
7 communication with Respondent as required by the Board each work day. Respondent shall
8 maintain telephone or other telecommunication contact with the individual providing supervision
9 and/or collaboration as required by the Board during each work day. The individual providing
10 supervision and/or collaboration shall conduct, as required by the Board, periodic, on-site visits to
11 patients' homes visited by Respondent with or without Respondent present.

12 9. **Employment Limitations.** Respondent shall not work for a nurse's registry, in any
13 private duty position as a registered nurse, a temporary nurse placement agency, a traveling nurse,
14 or for an in-house nursing pool.

15 Respondent shall not work for a licensed home health agency as a visiting nurse unless the
16 registered nursing supervision and other protections for home visits have been approved by the
17 Board. Respondent shall not work in any other registered nursing occupation where home visits
18 are required.

19 Respondent shall not work in any health care setting as a supervisor of registered nurses.
20 The Board may additionally restrict Respondent from supervising licensed vocational nurses
21 and/or unlicensed assistive personnel on a case-by-case basis.

22 Respondent shall not work as a faculty member in an approved school of nursing or as an
23 instructor in a Board approved continuing education program.

24 Respondent shall work only on a regularly assigned, identified and predetermined
25 worksite(s) and shall not work in a float capacity.

26 If Respondent is working or intends to work in excess of 40 hours per week, the Board may
27 request documentation to determine whether there should be restrictions on the hours of work.

28 10. **Complete a Nursing Course(s).** Respondent, at her own expense, shall enroll and

1 successfully complete a course(s) relevant to the practice of registered nursing no later than six
2 months prior to the end of her probationary term.

3 Respondent shall obtain prior approval from the Board before enrolling in the course(s).
4 Respondent shall submit to the Board the original transcripts or certificates of completion for the
5 above required course(s). The Board shall return the original documents to Respondent after
6 photocopying them for its records.

7 11. **Cost Recovery.** Respondent shall pay to the Board costs associated with its
8 investigation and enforcement pursuant to Business and Professions Code section 125.3 in the
9 amount of two thousand five hundred eighty five dollars (\$2,585.00). Respondent shall be
10 permitted to pay these costs in a payment plan approved by the Board, with payments to be
11 completed no later than three months prior to the end of the probation term.

12 If Respondent has not complied with this condition during the probationary term, and
13 Respondent has presented sufficient documentation of her good faith efforts to comply with this
14 condition, and if no other conditions have been violated, the Board, in its discretion, may grant an
15 extension of Respondent's probation period up to one year without further hearing in order to
16 comply with this condition. During the one year extension, all original conditions of probation
17 will apply.

18 12. **Violation of Probation.** If Respondent violates the conditions of her probation, the
19 Board after giving Respondent notice and an opportunity to be heard, may set aside the stay order
20 and impose the stayed discipline (revocation/suspension) of Respondent's license.

21 If during the period of probation, an accusation or petition to revoke probation has been
22 filed against Respondent's license or the Attorney General's Office has been requested to prepare
23 an accusation or petition to revoke probation against Respondent's license, the probationary
24 period shall automatically be extended and shall not expire until the accusation or petition has
25 been acted upon by the Board.

26 13. **License Surrender.** During Respondent's term of probation, if she ceases practicing
27 due to retirement, health reasons or is otherwise unable to satisfy the conditions of probation,
28 Respondent may surrender her license to the Board. The Board reserves the right to evaluate

1 Respondent's request and to exercise its discretion whether to grant the request, or to take any
2 other action deemed appropriate and reasonable under the circumstances, without further hearing.
3 Upon formal acceptance of the tendered license and wall certificate, Respondent will no longer be
4 subject to the conditions of probation.

5 Surrender of Respondent's license shall be considered a disciplinary action and shall
6 become a part of Respondent's license history with the Board. A registered nurse whose license
7 has been surrendered may petition the Board for reinstatement no sooner than the following
8 minimum periods from the effective date of the disciplinary decision:

9 (1) Two years for reinstatement of a license that was surrendered for any reason other
10 than a mental or physical illness; or

11 (2) One year for a license surrendered for a mental or physical illness.

12 14. **Physical Examination.** Within 45 days of the effective date of this Decision,
13 Respondent, at her expense, shall have a licensed physician, nurse practitioner, or physician
14 assistant, who is approved by the Board before the assessment is performed, submit an
15 assessment of the Respondent's physical condition and capability to perform the duties of a
16 registered nurse. Such an assessment shall be submitted in a format acceptable to the Board. If
17 medically determined, a recommended treatment program will be instituted and followed by the
18 Respondent with the physician, nurse practitioner, or physician assistant providing written reports
19 to the Board on forms provided by the Board.

20 If Respondent is determined to be unable to practice safely as a registered nurse, the
21 licensed physician, nurse practitioner, or physician assistant making this determination shall
22 immediately notify the Board and Respondent by telephone, and the Board shall request that the
23 Attorney General's office prepare an accusation or petition to revoke probation. Respondent shall
24 immediately cease practice and shall not resume practice until notified by the Board. During this
25 period of suspension, Respondent shall not engage in any practice for which a license issued by
26 the Board is required until the Board has notified Respondent that a medical determination
27 permits Respondent to resume practice. This period of suspension will not apply to the reduction
28 of this probationary time period.

1 If Respondent fails to have the above assessment submitted to the Board within the 45-day
2 requirement, Respondent shall immediately cease practice and shall not resume practice until
3 notified by the Board. This period of suspension will not apply to the reduction of this
4 probationary time period. The Board may waive or postpone this suspension only if significant,
5 documented evidence of mitigation is provided. Such evidence must establish good faith efforts
6 by Respondent to obtain the assessment, and a specific date for compliance must be provided.
7 Only one such waiver or extension may be permitted.

8 **15. Participate in Treatment/Rehabilitation Program for Chemical Dependence.**

9 Respondent, at her expense, shall successfully complete during the probationary period or shall
10 have successfully completed prior to commencement of probation a Board-approved
11 treatment/rehabilitation program of at least six months duration. As required, reports shall be
12 submitted by the program on forms provided by the Board. If Respondent has not completed a
13 Board-approved treatment/rehabilitation program prior to commencement of probation,
14 Respondent, within 45 days from the effective date of the decision, shall be enrolled in a program.
15 If a program is not successfully completed within the first nine months of probation, the Board
16 shall consider Respondent in violation of probation.

17 Based on Board recommendation, each week Respondent shall be required to attend at least
18 one, but no more than five 12-step recovery meetings or equivalent (e.g., Narcotics Anonymous,
19 Alcoholics Anonymous, etc.) and a nurse support group as approved and directed by the Board.
20 If a nurse support group is not available, an additional 12-step meeting or equivalent shall be
21 added. Respondent shall submit dated and signed documentation confirming such attendance to
22 the Board during the entire period of probation. Respondent shall continue with the recovery plan
23 recommended by the treatment/rehabilitation program or a licensed mental health examiner
24 and/or other ongoing recovery groups.

25 **16. Abstain from Use of Psychotropic (Mood-Altering) Drugs.** Respondent shall
26 completely abstain from the possession, injection or consumption by any route of all controlled
27 substances and all psychotropic (mood altering) drugs, including alcohol, except when the same
28 are ordered by a health care professional legally authorized to do so as part of documented

1 medical treatment. Respondent shall have sent to the Board, in writing and within fourteen (14)
2 days, by the prescribing health professional, a report identifying the medication, dosage, the date
3 the medication was prescribed, the Respondent's prognosis, the date the medication will no
4 longer be required, and the effect on the recovery plan, if appropriate.

5 Respondent shall identify for the Board a single physician, nurse practitioner or physician
6 assistant who shall be aware of Respondent's history of substance abuse and will coordinate and
7 monitor any prescriptions for Respondent for dangerous drugs, controlled substances or mood-
8 altering drugs. The coordinating physician, nurse practitioner, or physician assistant shall report
9 to the Board on a quarterly basis Respondent's compliance with this condition. If any substances
10 considered addictive have been prescribed, the report shall identify a program for the time limited
11 use of any such substances.

12 The Board may require the single coordinating physician, nurse practitioner, or physician
13 assistant to be a specialist in addictive medicine, or to consult with a specialist in addictive
14 medicine.

15 **17. Submit to Tests and Samples.** Respondent, at her expense, shall participate in a
16 random, biological fluid testing or a drug screening program which the Board approves. The
17 length of time and frequency will be subject to approval by the Board. Respondent is responsible
18 for keeping the Board informed of Respondent's current telephone number at all times.
19 Respondent shall also ensure that messages may be left at the telephone number when she is not
20 available and ensure that reports are submitted directly by the testing agency to the Board, as
21 directed. Any confirmed positive finding shall be reported immediately to the Board by the
22 program and Respondent shall be considered in violation of probation.

23 In addition, Respondent, at any time during the period of probation, shall fully cooperate
24 with the Board or any of its representatives, and shall, when requested, submit to such tests and
25 samples as the Board or its representatives may require for the detection of alcohol, narcotics,
26 hypnotics, dangerous drugs, or other controlled substances.

27 If Respondent has a positive drug screen for any substance not legally authorized and not
28 reported to the coordinating physician, nurse practitioner, or physician assistant, and the Board

1 files a petition to revoke probation or an accusation, the Board may suspend Respondent from
2 practice pending the final decision on the petition to revoke probation or the accusation. This
3 period of suspension will not apply to the reduction of this probationary time period.

4 If Respondent fails to participate in a random, biological fluid testing or drug screening
5 program within the specified time frame, Respondent shall immediately cease practice and shall
6 not resume practice until notified by the Board. After taking into account documented evidence
7 of mitigation, if the Board files a petition to revoke probation or an accusation, the Board may
8 suspend Respondent from practice pending the final decision on the petition to revoke probation
9 or the accusation. This period of suspension will not apply to the reduction of this probationary
10 time period.

11 **18. Mental Health Examination.** Respondent shall, within 45 days of the effective date
12 of this Decision, have a mental health examination including psychological testing as appropriate
13 to determine her capability to perform the duties of a registered nurse. The examination will be
14 performed by a psychiatrist, psychologist or other licensed mental health practitioner approved by
15 the Board. The examining mental health practitioner will submit a written report of that
16 assessment and recommendations to the Board. All costs are the responsibility of Respondent.
17 Recommendations for treatment, therapy or counseling made as a result of the mental health
18 examination will be instituted and followed by Respondent.

19 If Respondent is determined to be unable to practice safely as a registered nurse, the
20 licensed mental health care practitioner making this determination shall immediately notify the
21 Board and Respondent by telephone, and the Board shall request that the Attorney General's
22 office prepare an accusation or petition to revoke probation. Respondent shall immediately cease
23 practice and may not resume practice until notified by the Board. During this period of
24 suspension, Respondent shall not engage in any practice for which a license issued by the Board
25 is required, until the Board has notified Respondent that a mental health determination permits
26 Respondent to resume practice. This period of suspension will not apply to the reduction of this
27 probationary time period.

28 If Respondent fails to have the above assessment submitted to the Board within the 45-day

1 requirement, Respondent shall immediately cease practice and shall not resume practice until
2 notified by the Board. This period of suspension will not apply to the reduction of this
3 probationary time period. The Board may waive or postpone this suspension only if significant,
4 documented evidence of mitigation is provided. Such evidence must establish good faith efforts
5 by Respondent to obtain the assessment, and a specific date for compliance must be provided.
6 Only one such waiver or extension may be permitted.

7 19. **Therapy or Counseling Program.** Respondent, at her expense, shall participate in
8 an on-going counseling program until such time as the Board releases her from this requirement
9 and only upon the recommendation of the counselor. Written progress reports from the counselor
10 will be required at various intervals.
